A Serious Call to a Contemplative Lifestyle E. Glenn Hinson

In this second edition of Hinson's classic study of spiritual development, E. Glenn Hinson continues to blaze a trail for "seekers of mature faith." Here in his revised edition, Hinson goes even further in overcoming the compartmentalization of the devotion life that plagues contemporary approaches to spiritual growth. He seeks to show how one can integrate commitment to God with what one does in everyday living by approaching all of life from the perspective of communion, communication, and conversation with God.
