Chasing the North Star: A Novel Robert Morgan

In his latest historical novel, bestselling author Robert Morgan brings to full and vivid life the story of Jonah Williams, who, in 1850, on his eighteenth birthday, flees the South Carolina plantation on which he was born a slave. He takes with him only a few stolen coins, a knife, and the clothes on his back--no shoes, no map, no clear idea of where to head, except north, following a star that he prays will be his guide.

Hiding during the day and running through the night, Jonah must elude the men sent to capture him and the bounty hunters out to claim the reward on his head. There is one person, however, who, once on his trail, never lets him fully out of sight: Angel, herself a slave, yet with a remarkably free spirit.

In Jonah, she sees her own way to freedom, and so sets out to follow him.

Bristling with breathtaking adventure, *Chasing the North Star* is deftly grounded in historical fact yet always gripping and poignant as the story follows Jonah and Angel through the close calls and narrow escapes of a fearsome world. It is a celebration of the power of the human spirit to persevere in the face of great adversity. And it is Robert Morgan at his considerable best.

Amy Osburn:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the professor wants, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Chasing the North Star: A Novel can make you really feel more interested to read.
