Damian Fitzgerald, The Earl of Clare, has a secret. It's dark and deep and he never speaks of it to anyone. That secret has driven him to become one of the most powerful and wealthy men in the world. A man who does whatever it takes to always win. When he spots Julie Doyle on a visit to the United States, he knows he has to have her. And when Damian Fitzgerald wants something, nothing stands in his way.

Two years ago, Julie Doyle's dreams crashed and burned. With her mom's death, one hundred thousand dollars in student loan and medical debt, and a degree that's taken her no where, she's given up on ever living the life she imagined. But a night out with her friends puts Irishman Damian Fitzgerald in her path. A man unlike any she's ever known. Powerful, sexy as hell, and wealthy beyond her dreams, she can't believe that he singles her out with one very appealing proposition.
