I'm Only Human Diana Metz

A Short Story -6000 words

Dunn was a simple technician. He was also something they needed: Human.

From I'm Only Human:

"Where is the Colony Rep? You're just a computer. I want to speak to a human, face-to-face."

The computer didn't answer.

"I want to speak to a human," Dunn repeated.

The computer still didn't answer.

Dunn stood up. "Is there anyone left alive?"

Charles Dunn arrives on a silent world to troubleshoot a simple communication problem. He discovers the entire human population is frozen in quarantine and being tended by robotic caretakers. When these patients are threatened, the robots need Dunn to do what they cannot.

The data you get based on what kind of reserve you read, if you want have more knowledge just go with education books but if you want experience happy read one with theme for entertaining including comic or novel. Typically the I'm Only Human is kind of reserve which is giving the reader unpredictable experience.

Richard Vaccaro:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this I'm Only Human can make you really feel more interested to read.
