Welcome to my fifth book! If you like this one, you can find my other books on Amazon.com. I hope you find my stories and ideas helpful. Most are written early morning and have some tie to a recent event or thought. I've always written for myself, but with the amount of content that comes from my mind, I thought I'd see if a couple other humans might benefit from my words. My books are basically song books of words. I write songs, but my songs have no music. They are not overly lyrical, but they do for others what songs do for me. Think a little differently. So, sit back, turn on your "mind radio" and let these "songs" fill your head. Thanks for allowing me to share a little of me with you and I encourage your comments. If you could send me a note at ninja@thethompsongroup.net I would be honored to hear your thoughts. Anson R. Thompson
