In the fourth entry of a nine-book short story series, Phoenix has been put in an intense situation and he has some tough decisions to make. With the pressure mounting, will he be able to wiggle out of harms way without giving himself up? To make matters worse, Phoenix's ghosts of Mississippi are haunting him. What will he do?

Keston wants to take a leap on faith and enter a relationship with Phoenix, but something Qier said is lingering in his mind, causing Keston to pull back. With Qier away at the NFL Scouting Combine, Keston feels this is the perfect time to take a chance on love. He wants to move forward, but after Keston's previously failed relationship, doesn't know if he can completely trust Phoenix. Not only that, Cheyenne drops two big bombshells on Keston that is guaranteed to rock some worlds.

A friend of Raheim enters the story and is destined to ruffle some feathers. He's young, sexy, outspoken and a firecracker waiting to explode. And when it's revealed who exactly he's connected with—all hell is going to break loose.
