A Hologram for the King (MTI): A Novel Dave Eggers

Soon to be a major motion picture directed by Tom Tykwer and starring Tom Hanks, Tom Skerritt, and Sarita Choudhury.

In a rising Saudi Arabian city, far from weary, recession-scarred America, a struggling businessman named Alan Clay pursues a last-ditch attempt to stave off foreclosure, pay his daughter's college tuition, and finally do something great. In *A Hologram for the King*, Dave Eggers takes us around the world to show how one man fights to hold himself and his splintering family together in the face of the global economy's gale-force winds. This taut, richly layered, and elegiac novel is a powerful evocation of our contemporary moment--and a moving story of how we got here.

Jody Vinson:

As a student, I exactly feel bored to be able to read. If their teacher requested them to go to the library or even make a summary for some e-book, they are complained. Just minor students that have reading as a soul or real pastime. They just do what the teacher wants, like asked to the library. They go to there but nothing reading really. Any student feels that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. A book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise, words say, many ways to reach Chinese's country. Therefore, this A Hologram for the King (MTI): A Novel can make you truly feel more interested to read.
