Ashes of a Black Frost: Book Three of The Iron Elves Chris Evans

Amidst a sea of carnage on a desert battlefield blanketed in metallic snow, Major Konowa Swift Dragon sees his future, and it is one drenched in shadow and blood. Never mind that he has won a grand victory for the Calahrian Empire; he has failed in the search for his lost regiment of elves. But Konowa knows, as do the Iron Elves, that a far more important battle looms on the twisted, darkening path to the Hyntaland—the final confrontation with the dreaded Shadow Monarch.

Konowa's ultimate journey is fraught with escalating danger: monstrous creatures spawned from a vast, black forest; the Shadow Monarch's vengeful and maniacally unstable former emissary; reluctant hero Private Alwyn Renwar, who struggles to maintain his connection between the living and the dead; and Konowa's former love, Visyna Tekoy, who is fighting for her life against the very elves he so desperately wants to find.

And so Konowa sets off to pursue his freedom from a curse that has cast his life in darkness. For though his long, violent trek may indeed lead him to his destiny, he is ill-prepared for the discovery he will make . . . with the fate of the Iron Elves, and the world, hinging on the courage of one wrathful elf.
