Dutch Part III Teri Woods

He is the master of the game. He controls a global empire and is a body drop away from his biggest score ever. Now New York Times Bestselling author Teri Woods brings you the unforgettable finale of the explosive Dutch Trilogy, where ultimate power is the deadliest test of all.

There isn't a strategy he can't execute, a target he can't eliminate or a woman he can't have. And Bernard James, Jr., aka Dutch has marshaled his loyal lieutenants plus a powerful Nigerian dictator's resources to take his organization worldwide. Three hundred million dollars and a triple digit body count later, he's also lured the only woman he's ever loved back by his side and plans to bail at the top of his game. But with the Feds and international forces tracking him down and closing in fast, Dutch soon realizes that they aren't his only nightmare. There's another enemy, one he doesn't see coming, a sheep in wolves clothing, who can destroy him. Soon one determined undercover agent will strike at the heart of Dutch's organization, putting everything he's gained at risk, and pushing him toward a no-man left standing showdown.
