*One-Page Case Summaries* provides a succinct summary of the key findings of every dispute panel report up to the end of 2014 and, where applicable, the subsequent Appellate Body report. Each one-page summary comprises three sections: the core facts; the key findings contained in the reports; and, where relevant, other matters of particular significance. The disputes are presented in chronological order by dispute settlement number. Two indexes at the end of the publication list the disputes by WTO agreement and by WTO member responding to the complaint.

Also available in French and Spanish language editions.
