## Beastly Verse

Poetry and children belong together, and for a long time, the music and playfulness of verse wove itself through children's days and lives. *Beastly Verse* aims to help return the wonder of poetry to children's lives through sixteen exquisitely illustrated poems, four of which have the surprise and pleasure of being foldouts. Consisting of playful as well as powerfully memorable poems, *Beastly Verse* transports the reader into a richly worded world of tigers, hummingbirds, owls, elephants, pelicans, yaks, snails, and even telephones! A playful romp through verse, rhyme, and gorgeous images, this book carries children into the poetic realm in a way that is not only fun and inviting, but inspiring as well! Representing poems from Anonymous, as well as some lesser well-known poets, this volume also includes poems from Lewis Carroll, William Blake, Robert Desnos, Hilaire Belloc, William Cowper, Christina Rossetti, and D.H. Lawrence. Both short and long, these poems can be read and reread, committed to memory and enjoyed all life long.
