When Par and Tennyson find an abandoned dog at the park named Duke. Will they find room in their hearts to take him in? And can this Christmas season weave some special magic for the two of them? **Christmas Gift that Keeps Wagging:** Julian Barrows has his hands full working full time and being a single dad to his kindergarten, special needs son, Gabe. Gabe's teacher convinces Julian he doesn't need to do everything on his own and introduces him to a seizure dog trainer, Hanna Acker. Hanna and her sister grew up without any 'Christmas Cheer'. She's trying to get her sister through college and doesn't have time to let anyone too close, especially the handsome single dad with a kid. But, Christmas has a way of changing what we thought we wanted... especially when Santa and an adorable four-legged 'elf' are involved. **Dog Tags for Christmas:** Willa Rayne's spent her life doing what's expected of her. Now she has a great job and a house of her own, but where's the romance in her life? All of that changes when she bakes cookies for a soldier. Eben Yates has an important decision to make. Should he stay in the Army? He's been on three deployments and he misses the States. When he finds a stray in a nearby village and discovers he can bring Hero back, the dog and Willa give him reasons to start a new life and come home. Eben and Willa's Internet relationship deepens, will they find the family they both want for Christmas... plus a barking bonus?
