This guide has been written specifically for people with little or no prior knowledge of D-Day and will serve as an ideal introduction to what can be a very daunting subject. Written in an engaging way, this is more like an informal chat than a heavy historical text, and with short, sharp chapters this Layman's Guide provides just enough detail to gain a good grounding of knowledge and understanding, without the reader drowning in a sea of detail. For anyone looking for an entertaining and informative overview of D-Day this Layman's Guide is the perfect place to start.
