**A Wild Sheep Chase: A Novel (Trilogy of the Rat Book 3)** Haruki Murakami

A marvelous hybrid of mythology and mystery, **A Wild Sheep Chase** is the extraordinary literary thriller that launched Haruki Murakami's international reputation.

It begins simply enough: A twenty-something advertising executive receives a postcard from a friend, and casually appropriates the image for an insurance company's advertisement. What he doesn't realize is that included in the pastoral scene is a mutant sheep with a star on its back, and in using this photo he has unwittingly captured the attention of a man in black who offers a menacing ultimatum: find the sheep or face dire consequences. Thus begins a surreal and elaborate quest that takes our hero from the urban haunts of Tokyo to the remote and snowy mountains of northern Japan, where he confronts not only the mythological sheep, but the confines of tradition and the demons deep within himself. Quirky and utterly captivating, **A Wild Sheep Chase** is Murakami at his astounding best.
