ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Debuting in its first edition and written by a new generation of area studies experts, *Case Studies in Comparative Politics* follows a questions-based approach that helps readers understand different countries' political histories, institutions, identities, and interests and why each country is politically interesting and relevant. When used on its own or with the accompanying thematic survey, *Case Studies in Comparative Politics* asks—and answers—the same important questions that political scientists research and that are relevant to anyone interested in politics.
