The game is something Fast Money plays with ease. He's an up and coming hustler making all the right moves in Baltimore because of a sweet New York connection. He's the talk of the town and everybody looking for opportunity wants a part of him. Precious plays this game well. She's a beautiful woman whose never-ending passion is a hustler with cash. And then there are young followers with street potential like Tavon and his partner Juvenile. Tavon has inherited a legacy from both parents. He wants to re-establish his family's image through Fast Money's leadership. Juvenile is right there to follow, but he has his daughter and her mother, Jameel, who wants him out of the life.
