He liked to take me where everybody could watch

My step loved to take me places where everybody could watch us. At first I was hesitant, but then I grew to enjoy it. Nothing turned me on more than being watched, knowing somebody else was getting off on me getting off.

It was my birthday and he bought a little toy that sat inside my panties and was controlled remotely. During my birthday dinner with the man and woman of the house, he decided to use it, causing all sorts of embarrassing situations.

Finally I couldn't take it anymore and I just let myself go, it didn't matter who was watching. It was a birthday dinner to remember!
