Uptight British lit lover meets a free spirit at a book club and his world is turned upside down! After placating to his father's demands that he play Little League baseball and major in computer programming in college rather than his beloved English literature, Thaddeus assumed that several years into his career, he would finally get some peace and quiet. Then he met Spring Pearson, the younger, free-spirited daughter of Hippie parents, at a book club meeting. Instantly smitten, Thaddeus finally worked up the courage to ask Spring out. But will an old college pinkie-swear promise Spring made fifteen years ago get in the way of this bibliophilic romance? "A Groovy Kind of Love" is the third and final installment of Karen Wojcik Berner's Bibliophiles series. Written as stand-alone novels, each book focuses on one or two members of a fictional suburban classics book club, revealing their personal stories while the group explores tales spun by the masters. This edition contains a Reader's Guide and book club discussion questions.
