Call Me Madam: From Mother to Madam Dawn Annandale

When Dawn Annandale's marriage fell apart she was overwhelmed by debt and turned to prostitution to support her family. After one year, a near-fatal car crash and numerous encounters with men, she made the decision to stop working as an escort. But with six children to support there were few options to sustain the lifestyle to which they were accustomed. With her inside knowledge of the sex industry, Dawn decided to start her own business—an escorting agency, where she could provide support, advice, and safety for women who were in the dire straits she had once been in. *Call Me Madam* is the true story of how former escort Dawn started up her own agency and of the many incredible women, and remarkable array of men, who crossed her path. Revealing and shocking, yet warm, engaging and utterly honest, this book sheds a light on the dark side of world's oldest trade.
