Second Corinthians (Interpretation Bible Studies) William M. Ramsay

Peter wrote that there are some things in Paul's letters that are hard to understand and readers of 2 Corinthians will agree. This small but useful Bible study should help to explain some of those hard things, by focusing on what is delightful and inspiring about the book. We find promises of glorious life after death, interesting and thought-provoking figures of speech describing followers of Christ, and much more. By the end of this study, it should be easy to see why the people at Corinth so loved and revered Paul that they saved this letter and others for future generations of believers.
