## **To Refine Like Silver** Jeanna Ellsworth, a Lady

If Mr. Darcy had met Elizabeth Bennet in his beloved Derbyshire, would he have recognized her as the love of his life instead of dismissing her as someone “not handsome enough to tempt” him? This alteration of Jane Austen’s *Pride and Prejudice* adds a little spirit, flirtation, and charm to everyone’s favorite characters.

Early in the summer of 1811, Elizabeth Bennet travels to Derbyshire to help her aunt and uncle settle in as new owners of Saphrinbrooke. Elizabeth is soon introduced to the estate’s nearest neighbors: Mr. Fitzwilliam Darcy and his sister, Georgiana, who is suffering the results of a fateful trip to Ramsgate. Having endured several life tragedies herself, Elizabeth reaches out to the young lady of Pemberley. Under her radiant influence, both Darcy and Georgiana begin to look for help outside of themselves.

*To Refine Like Silver* is a romantic and spiritual journey where more than one of our favorite Regency characters must learn to fully rely on God. Their trials bring depth to the beloved story, and Mr. Darcy ultimately learns that our trials do not define us; rather they refine us.
