Steven D.; Dubner, Stephen J. Levitt

Freakonomics - - A Rogue Economist Explores The Hidden Side Of Everything Steven D.; Dubner, Stephen J. Levitt

"In an age of too much wishful, faith-based conventional wisdom on the right and left, and too much intellectual endeavor squeezed into prefab ideological containers, Freakonomics is politically incorrect in the best, most essential way. Levitt and Dubner suss out all kinds fo surprising truths --sometimes important ones, sometimes merely fascinating ones --by means of a smart, deep, rigorous, open-minded consideration of facts, with a fearless disregard for whom they might be upsetting. This is bracing fun of the highest order"
-Kurt Andersen
