#1 Women's Humorous Fiction Best Seller

"... I think life is better when you have love. Not a friendly neighbor or old friends kind of love either, but a love that causes your heart to race and your toes to curl."

Maggie Marrion is just getting back on her feet after a horrible year, or two, or three. With their twentieth reunion approaching, she invites four of her closest friends from college for a mini-reunion at her beach cabin on Whidbey Island. What she doesn't expect is her best friends Selah and Quinn to play matchmaker. Will Maggie risk her heart and her quiet life for another chance at romance?

Gil Morrow, former grunge musician turned history professor, joins them as Selah's date for the weekend. With the support of old friends, a few wishing rocks, the world's largest burrowing clam, and a hot lumberjack thrown into the mix, Gil reminds Maggie she isn't too old to fall in love.

Reality Bites becomes The Big Chill when a group of Gen-X friends spend a summer weekend together sharing laughter, tears, life's ups and downs, old stories, second chances, and new beginnings in this humorous contemporary adult romance.

Geoducks Are for Lovers is the first novel in the Modern Love Stories series.
