Lusam: The Dragon Mage Wars (Volume 1) Dean Cadman

Lusam grew up in the relative safety of the Elveen mountains with his grandmother. She taught him the basics of magic, and discovered quite by accident, that he possessed a unique skill never seen before, the ability to hide his magical aura from the mage-sight of others. Dark secrets surround Lusam's origins, and the dark agents of the Empire will stop at nothing to kill Lusam. But before Lusam could be taught all he needed to know about his past, his grandmother unexpectedly dies of a fever, and Lusam finds himself homeless on the unforgiving streets of Helveel. Unbeknown to Lusam, the only thing keeping him alive is a promise he made to his grandmother, to always hide his aura, no matter what. Lusam meets and befriends a young thief fleeing her old city of Stelgad, before making a magical discovery that will change both their lives forever, and possibly the fate of the entire world.
