Managing the Public Sector

Grover Starling

Managing the Public Sector Grover Starling

Combining the most current public management thinking and research with examples of how public executives and organizations apply these ideas, MANAGING THE PUBLIC SECTOR is a comprehensive introduction to the field. The Eighth Edition continues to engage the student's intellect by providing more than just the basic foundation of management. The text places the application of management in the context of the public sector and tries to capture some of the excitement and challenge of the field.
