**Joel Peterson:**

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
