Harvest of Darkness (Dungeons & Dragons: Kingdoms of Kalamar Adventure)

This action-packed book of adventures is set in the new Dungeons and Dragons campaign setting, the Kingdoms of Kalamar third edition. The story begins as the players uncover the plot of an evil priest of the Harvester of Souls to raise an undead army on the outskirts of an unsuspecting village. Though they may defeat him, his cult will lead them to frightening clues and hints of ancient evil that must be stopped. The four distinct adventures in this book are tied together but they can also be spread out and used individually to suit the needs of the GM. The Dark Harvesters is an official Dungeons and Dragons supplement with adventures for beginning to mid-level characters.
