If I Stay (Guardian Angel Series Book 1) Melissa Johnson

When JUSTIN MONTROSE, a former captain in the British Army and the new fifth Duke of Claymore, is rescued from highwaymen by a mysterious beauty, their meeting sets in motion his search for an angel. As he will discover, the truth of ARIANA's identity is more than most ordinary men can swallow. Not only is his angel a member of the Order of Guardians, an eclectic group of time travelers, but she has a surprising tie to his world and time. Will that tie, and the growing attraction between them, be enough for her to abandon her calling as a Guardian? If not, does he have a place in her world? He's not certain, and when his angel needs rescuing herself and loses her memory, he takes his chance and smothers his conscience to rewrite her past. But it's hard work to maintain a lie - especially when Ariana has a secret locked in her mind that her former Guardian colleagues are desperate for her to remember.
