You are cordially invited to the nuptials of Myles Malatesta and Porter Montgomery, whose wedding promises to be the social event of the decade in the dusty, little, Mississippi Delta town of Clarkston. The whole gang is together again for the occasion—Myles and her twin brother Macintosh, her best friend Reese, and Castle, the guy she used to think was the love of her life. Growing up, they called themselves the Fearless Four, but they scattered after one tragic night their senior year of high school. Now they're back, all grown up and ready to celebrate... or maybe to rehash old arguments. A lot has changed in the years they've been away, but some things never change, like the fact that secrets swept under the proverbial Southern rug tend to wiggle their way out eventually.
