Tempted by Darkness (The Alliance Trilogy Book 1) Mary Whitten

Dangerous and deadly with a side of crazy.

My name is Harper. My job sucks ... literally. I hunt evil, red-eyed vampires for a living. My employer is a group called the Alliance; a secret organization that pays my bills and my taxes. What more could a girl ask for?

Everything in life was going just fine until the Alliance decided to switch the enemy. My newest assignment is to execute a werewolf. That was their first mistake. You see, there's a reason I hunt vamps. I have a score to settle with the entire race. They took something from me and turned me into a monster. Once a vampire taste the first drop of human blood, they go insane and kill any human they meet. I've been a vampire for almost sixteen years and still have yet to take a human's life, or taste their blood for that matter. The Alliance has informed me that if I don't take out the werewolf I will become their next target. And that was their second mistake.

Theo:

I should hate her. I should want to rip her undead heart from her body. Yet for some reason my instincts are telling me not to. She says she was here to save us, but she works for the enemy. I'm sure trusting her will be the death of me, but I have to try. She's different than the rest of the evil monsters that took my one true love from me years ago. Together we will destroy the enemy. And if she does betray me, I'll kill her.

. This book is a fast paced, action driven, do or die love story. Readers 18+ due to graphic violence, language, and sexual conduct
