(Shawnee Press). This collection brings together in one book some of the most exciting gospel songs ever! It includes great contemporary arrangements with rhythmic piano accompaniments, detailed chord changes for guitar players, and, best of all, harmonies written directly in the vocal parts. The extended arrangements include middle sections, key changes, and other techniques to avoid the repetitive nature of some gospel arrangements. In addition, the purchase price includes a license for the original purchaser of the book to print out additional copies of the vocal parts from the CD-ROM included with the book. Use it for choirs, ensembles, or solos and duets to enhance your performance of these powerful songs of worship. Includes 18 songs by some of the biggest names in the genre, like Kirk Franklin, Luther Barnes, Andrae Crouch, Franklin Williams, Donnie McClurkin, and more.
