Every Eye Beholds You

Every Eye Beholds You

Every Eye Beholds You is a book to turn to for solace and wisdom, inspiration and comfort, in familiar words and words that for all their strangeness strike a common chord of humanity in their aspirations toward the divine. This book is filled with riches of the spirit assembled from the traditions of many cultures over many years. As Karen Armstrong observes in her introduction, while some find it impossible to believe that there is more than one path to the divine, this remarkable volume shows the universality of prayer: Hindus, Buddhists, Native Americans, African tribespeople, Jews, Christians, and Muslims all have very different beliefs, yet when they address the sacred, they do so in strikingly similar ways.
