Never Threaten to Eat Your Co-Workers: Best of Blogs Bonnie Burton, Alan Graham

Do you occasionally wonder,

- What kind of person works at a porn video store?
- Do public defenders believe in their clients?
- What does a reporter feel when he visits war-torn Iraq?
- What happens after a child star falls into obscurity?

Thanks to Web logs, or "blogs" as they're affectionately nicknamed by Net-savvy voyeurs, anyone can jump into the shoes of a video salesclerk, a criminal court lawyer, an international journalist, or a TV star, among others.

While entertaining and educating, these virtual diaries represent a cross section of the people who dwell online. This book features the Internet's most provocative writing, by unknown writers and underground celebrities.

Neil Forrester, former cast member of MTV's *The Real World*, gives new meaning to the phrase "Bite your tongue." Meanwhile, *Star Trek: The Next Generation* actor, Wil Wheaton, gives his take on the Hollywood system and fleeting stardom.

Elsewhere, web designer Heather Hamilton finds herself unemployed after posting on-the-job stories to her personal blog. And humorist Choire Sicha shares advice about broken hearts and timeshares. Plus: tales of creepy video-store customers, office pranks gone awry, a childhood encounter with Darth Vader, and so much more!
