Reading Without Boundaries

The Simplest Way To Start Reading With No Effort

The physical and bodily needs of human beings are innate and natural. Eventually, the purpose of living comes out to be the need for survival. But there is an innate need of the soul, to be fed and nourished. It is possible only when we will nurture our souls with intellectual wisdom and insight. For that nothing can be as good as a firm and determined reading habit.

For this book, the major drivers for writing were the empty libraries and dusty bookshops. It is because all of us have made books to take the shape of endangered species. If we will not look into this matter carefully, soon they will take the form of extinct species. So this book will not only make you aware of the rising need for reading habit but will also guide you about ways and tricks for following this habit more religiously and devotedly. The tips mentioned will help you to become a reading lover, with minimum effort.

The prominent discussions which are focused in this book will cater following important issues, which are all targeted at the presentation of the underlying fundamentals of reading as a habit.

- The preliminary discussion about the real notion of reading to make the aware of its underlying effects and extended benefits, which are often overlooked.
- A discussion about the dilemmas which lie as a threat for the revival and restoration of reading habits among members of the society.
- A list of some methods and practices which can help you to inculcate reading habit with much lesser effort and pain.
- An account of the need for implementation of reading, by portraying its utility in an explicit way, in our daily life, and in our actions and beliefs.
