The Maze of Mormonism

Walter Martin

The Maze of Mormonism Walter Martin

The Maze of Mormonism exposes: *The fortune-telling past of Joseph Smith, Jr., Mormonism's founder. * The ego flattering Mormon doctrine of Exaltation to Godhood. * The racist Mormon doctrine concerning the Negro - including the first in-depth treatment from a Biblical Christian basis of the Mormon "revelation" concerning the blacks! * The occultic practices in the secret temple ceremonies of the Mormon temple. * The anti-Christian boasts of the Mormon Church to be the "restoration" of Christianity among the apostate Protestant and Catholic churches. The Maze of Mormonism is a complete and concise guide to any Christian, lay or clergy, unraveling the confused maze of Mormon Doctrine and practice with the measuring rod of the Bible and the truth which is in Christ alone. The Maze of Mormonism will give you a firm grasp on the truth of Christianity and the means to communicate your life in Christ to the Mormons you meet. --- from book's back cover
