Lucy: Not Just Another Pretty Face

Charles M. Schulz

Lucy: Not Just Another Pretty Face Charles M. Schulz

Making her debut in 1952, just two short years after the *Peanuts* comic strip first ran, Lucy Van Pelt burst into the popular daily, becoming the high-voltage catalyst to ignite the comedic fire under the lovable members of the original *Peanuts* gang. Lucy's take-charge attitude and annoying self-confidence immediately cast her as one of the favorite characters of the strip as well as an unlikely, but powerful, role model for men and women alike. To ardent fans of the strip, she is best loved for being bossy and charmingly crabby--a disposition that is solely her own.

Lucy: Not Just Another Pretty Face celebrates all of the wit, wisdom, and relentless criticism that Lucy has to offer in an unprecedented collection of strips devoted especially to her. Whether she is leaning on Schroeder's piano or counseling good ol' Charlie Brown, her flawless advice and zany antics have kept *Peanuts* fans laughing and learning for more than 45 years. Classic strips and special interactive features in each chapter keep the pages turning and the laughs coming.

With an introduction by Charles M. Schulz, you'll learn more about the evolution of Lucy's unique personality and how it has changed over the decades. *Lucy: Not Just Another Pretty Face* is an outstanding treasury for every Lucy devotee's library. As the original dominant female character in *Peanuts*, it is easy to see why she is considered the brains and the beauty of the strip! "That'll be five cents, please!"

From reader reviews:

Deborah Lake:

As people who live in the actual modest era should be change about what going on or facts even knowledge to make these individuals keep up with the era that is always change and advance. Some of you maybe will probably update themselves by examining books. It is a good choice for you but the problems coming to an individual is you don't know what kind you should start with. This Lucy: Not Just Another Pretty Face is our recommendation to help you keep up with the world. Why, as this book serves what you want and want in this era.

Sarah Jackson:

Reading a reserve can be one of a lot of activity that everyone in the world likes. Do you like reading book and so. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new details. When you read a book you will get new information because book is one of numerous ways to share the information or perhaps their idea. Second, reading through a book will make you more imaginative. When you examining a book especially tale fantasy book the author will bring someone to imagine the story how the characters do it anything. Third, it is possible to share your knowledge to some others. When you read this Lucy: Not Just Another Pretty Face, you are able to tells your family, friends as well as soon about yours book. Your knowledge can inspire others, make them reading a publication.

Belinda Smith:

Is it you who having spare time then spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This Lucy: Not Just Another Pretty Face can be the reply, oh how comes? A fresh book you know. You are and so out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these books have than the others?

Josephine Widman:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's internal or real their pastime. They just do what the professor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Lucy: Not Just Another Pretty Face can make you sense more interested to read.
