Perfect Glass Laura Anderson Kurk

"Eloquent take on seeing and celebrating beauty." --Stephanie Morrill, author of *The Reinvention of Skylar Hoyt* series

"Gorgeous...profound look at the longing for place." --Jennifer Murgia, author of *Between These Lines* and *Forest of Whispers*

I couldn't stop crying because it was so intimate, in that way I always thought being physical with him would feel. If someone had walked in they might have thought Henry was barely touching me. I knew the truth of it.

Things get messy when Meg Kavanagh gets involved--first with Jo Russell, the eccentric old artist, and then with Quinn O'Neill, the intriguing loner who can't hide how he feels about Meg. Her senior year isn't turning out like she planned, but sometimes the best parts of life happen in the in-between moments. He commits to one year in an orphanage that needs him more than he ever dreamed.

Thousands of miles from Meg and the new punk who has fallen for her, and absent from the ranch that's in his blood, Henry Whitmire finds out what it means to trust. When you're so far from home, it's terrifying to realize you're not who you thought.

But the perfect glass of calamity makes the best mirror.

From young adult author Laura Anderson Kurk comes the sequel to *Glass Girl*, a lyrical, multi-generational story about love that teaches, loss that haunts, and reunions that feel like redemption.
