Personal Secrets (Volume 4) K.C. Wells

This book is an erotic gay romance. It contains explicit language and lots of steamy sex between two hot guys. For readers 18+ only. Blake Davis and husband Will are delighted when Ed Fellows turns up at the hospital the night their daughter is born—even if he is covered in mud from playing rugby and drunk out of his skull. Team-mate Colin is the Good Samaritan who drives him there, and when he takes Ed home, Colin finds himself on the receiving end of a blow-job. He has no problem with that whatsoever. He's been in lust with Ed since Ed joined the rugby team some fourteen months ago. Only thing is, Colin's assumed up 'til now that Ed is straight. Except the man sucking him off certainly didn't seem straight.... Talk about the morning after the night before.... Ed awakens to find a nearly-naked Colin asleep on his sofa. The problem is that for some reason, he can't get Colin out of his mind. Okay, so it wasn't the first blow-job Ed's ever gotten from a guy—or given, for that matter—but that was a long time ago, right? And why does Ed now want more? With friends Rick, Angelo, Blake and Will to advise him, Ed finds himself on a completely unfamiliar road, as he struggles to accept that maybe the line he is walking isn't as straight as he'd first imagined....
