Meet Bolt: dashing super-dog, loyal companion, star of a hit television show. This heartfelt Disney computer-animated film follows Bolt on a cross country journey as he learns his entire life has been fake and discovers he doesn't need super powers to be a hero. *The Art of Bolt* is a beautiful collection of more than 250 pieces of concept art created for the film, including storyboards, sketches, color scripts, full-color illustrations, as well as material from the fabled Disney archives. Quotes by the director, producer, and artists contextualize the art, and thoughtful essays explore Disney's past, present, and future in animation.
