Conquest of Armageddon (Warhammer 40,000 Novels) Jonathan Green

A rescue mission becomes a battle for survival! The Black Templars Space Marines head to the battle-ravaged planet of Armageddon, determined to find one of their fighting companies that has gone missing there. Unbeknownst to Marshall Brant and his Black Templars, a squad of ork hunters is also at large in the ork-infested jungles, searching for a high-ranking Imperial officer, lost when his plane crashed. What these two would-be rescuers don't know is that there are other things stirring in the jungles. The savage orks of the Blood Scar tribe hunt them through the dense undergrowth, whilst something dark, ancient and terrible prepares to stretch its murderous hand forth once more...Featuring more action with the Black Templars, this is a blistering sequel to "Crusade for Armageddon"!
