## **Dysfunctional Inspiration: A Back-roads Story to Success** Arthur Greeno

Arthur Greeno ran in from the cool Wisconsin air at Silver Birch Ranch to take a call from his mother. He had been at camp for a week enjoying horseback riding, outdoor sports, swimming and most of all, being away from home - everything a 14 year old boy dreams of. This was all about to change. His mother called to let him know that the family was moving. Again. "No big deal," he thought, "just another house." Not exactly. His family picked up and moved 600 miles across the country while he was at camp. He had no idea what kind of home he would be returning to. Or, more importantly, how he would get there. After camp, Arthur had to hop on a Greyhound bus from Chicago, Illinois to Tulsa, Oklahoma all by himself. Little did he know that what he would find on that bus would lead him to overcome his childhood hardships, physical restrictions and loneliness, changing him forever and leading him to become a successful business owner, grateful father and loving husband.
