Ghost hunting just got sexy.

The safest place is with the guy she doesn't trust...

It's no secret amongst the *Phantoms* crew that lead investigator Sammy Hanesworth pretty much hates psychologist Cain McClutchen. The tension between them is taut with dislike...and unexpected attraction. Cain knows full well that something about him rubs Sammy the wrong way. But now they're on a terrifying case-with orders from the network to get along *or else*.

Filled with past horrors, the Nebraskan site is more than creepy. And Sammy knows it all too well. It's her hometown and near the place where her mother was killed. As the sinister presence makes itself known, Sammy finds herself turning to the last person she ever expected-Cain. Even as darkness surrounds them, tensions gives way to something bright and unexpectedly intimate. But nothing will prepare them for the evil they are about to face...
