“There’s a new way of being in the world. We no longer look outside of ourselves to see where we fit into the world, instead we create the world from the inside out. The world then becomes a match to who we are. Each day we get to decide ~ What will my day be like? How will I live?... What will I create today?” From “Ethereal to Real”, the Little Book of Big Dreams describes the seven steps in the creative process and walks you on the path to living your dreams.
