Mixed Essays of Matthew Arnold, Vol. 10 (Classic Reprint) Matthew Arnold

Excerpt from Mixed Essays of Matthew Arnold, Vol. 10

The first essay in this volume was published nearly twenty years ago, as preface to a work on Continental Schools, which has probably been read by specialists only. The other essays have appeared in well-known reviews.

The present volume touches a variety of subjects, and yet it has a unity of tendency - a unity which has more interest for an author himself, no doubt, than for other people; but which my friendly readers, whose attention has long been my best encouragement and reward, will not unwillingly suffer me, perhaps, to point out to them.

Whoever seriously occupies himself with literature will soon perceive its vital connection with other agencies.
