Why is our world a scene of conflict? Is this conflict restricted to earth? What happens in the three "levels" of heaven? Does Satan really roam freely throughout the universe? Do Christians have any role in the conflict in the spiritual realm? Prolific author and Bible teacher Derek Prince addresses these questions and more in this carefully researched and superbly written book. Although focusing almost exclusively on the preAdamic era, Prince also explains that the Bible is primarily a record of Adam's race rather than a history of the world. He discusses the creation of man, as well as angels, particularly addressing the fall of Lucifer and the angels who joined him in his rebellion against God. Prince concludes that pride, which fueled rebellion, is the root of all sin, and he explains God's eternal plan of salvation. Written with clarity and simplicity, this fascinating book offers readers biblical answers to fundamental questions and reassurance for the future.
