In this suspenseful and riveting memoir about a blonde-haired, blue-eyed Australian beach girl, Joy faces the battle of her life against the not-so-friendly bronzed Aussie bloke.

Through her raw, dark stories of frightening sexual assaults, shocking rapes, non-stop abuse, violation and street harassment, Joy Jennings shares of how she tried to make her way in her coastal home town, while being hounded, followed and tormented at every turn.

Her powerfully moving story throws you into a world of tradies, hoons and bogans, who behave in the world's most vile, vulgar and sexist of ways. With her candid and compelling recollections of being choked to within an inch of her life, having her car window smashed into her face, being stalked and having men rip the very clothes from her body, this memoir will not only keep you captivated, but also astonish you with every page.

Readers will be taken on an unrelenting ride as they share Joy's emotional journey. I'm Not Your "Baby" will have you fighting for our author who, with a determined heart, never gives up hope of finding love, peace and ultimate happiness.

This is not a story about demonizing the Australian male, but one that humanizes the victims.
