For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books à la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version – allowing students to take only what they need to class. As an added bonus, each Books à la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books à la Carte Plus titles cost less than a used textbook!

Based on the connections between behavior and its biological underpinnings, Carlson presents psychological behavior in the context of its adaptive significance - effectively leading students through the discovery process and enabling them to think critically about contemporary issues.

This content in the 6th edition is the result of *an international consortium of Carlson, Psychology authors* — Carlson, Buskist, Miller (United States); Heth, Enzle (Canada); and Martin (United Kingdom) — who have combined their talent, experience, and psychological perspective to contribute to the first truly global edition of the text. This world perspective offers students a more contemporary, balanced, and exciting view of psychology than any other introductory textbook.
