Risen: The Evidence for the Resurrection of Jesus Christ (Historical Apologetics: Resurrection) Mike Robinson

Did Jesus Christ really rise from the dead? Of the countless world religions, only one claims that its founder returned from the grave. The resurrection of Jesus of Nazareth is the very heart of Christianity.

But can a dead man really come back to life?

In our refined age, when science seems to reign everywhere, who can take such a claim seriously? Some fringe scholars argue that Jesus never completely died on the cross.

Directing his analysis on the facts, evidence and history, In “Risen” Mike Robinson examines: The Medical Evidence—Did Jesus really die?

The Empty Tomb—Every ancient historical account reveal the tomb was empty.

The Evidence of Appearances—How many hundreds of witnesses claim to have seen Jesus alive after his death on the cross?

Written in a compelling investigative style, “Risen” probes the primary issues of the resurrection of Christ.

The evidence, proof, and worldview issues make it sure that Jesus is risen from the dead. The facts and evidence are on the table. The verdict is certain: Jesus of Nazareth is risen.
