"Sweet Love" is the name of a bakery that specializes in producing wedding cakes. The three women who work there, Darla Connors the owner, Peggy Brown a large jolly baker, and Sandy Taylor a young high school girl who has a crush on Peggy's son, seem to be the typical however-hum boring cast of characters that would typify a place that makes wedding cakes. Nothing would be further from the truth as all is not what it appears to be. For example, Sandy has been secretly married to Peggy's son for four years even though one would think that they did not even date at all! That's just the tip of the icing as far as this story goes.
