“The Days Before We Rest” –

In 6 Days God did all of His work of creation, and on the 7th Day He entered into His Rest as a result of His work. The title of this book, therefore, does not suggest “death” as some might think, but how to enter by working into the same everlasting Rest God already lives in forever!

“To rest” or enter into rest doesn’t have to be until we physically die but to be restored. It is that, in spite of whatever is going on around us, we still have the ability and power to make all the necessary changes (i.e., still in full control) to live like we should.

The Rest of God is eternal and not about death, it is to cease from dying through fear, lack or struggles. There is a place of rest made ready for everyone that finds it, and God was and is the first to enter into it. Many are seeking for this rest everywhere else but in God. They are ever running to and fro as the scriptures has said, and they still can’t find rest for their souls.

Should finding this rest be this difficult?

The scriptures gave us detailed descriptions on how God worked and entered into this rest. If we really do believe in God and how He brought Himself to this rest that last forever through His finished work, we therefore also need to take our cues from Him in order to enter into this Rest which is in Christ Jesus!

There are detailed divine order and principles laid out by God in entering into this rest and are they not written in the scriptures to instruct and guide us in these last days?

This Rest will surely come upon those that finds it, and it’s only God that can give rest to our souls in such a time as this.
